

COBDEN SCHOOL Te Kura O Aramahanga

Newsletter 27th May 2021

Kia ora tatou

A big thanks to all those parents who came to support our students at the cross country last week. It was great to catch up with many of you and I know your children were happy to see you there.

Orana Park overnight camp and Hokitika day trip are held next week and the Mokomoko students are very excited. We also have students attending the West Coast Cross-country at Kumara next week, weather permitting.

Three- way learning conferences and mid-year written reports are to be scheduled for early term 3.

I am sure your children have told you about the "Surprise" being built in the playground. I am very excited for them to see the end result. This is a project very dear to my heart and I'm sure the students will enjoy it. As this is a top secret surprise, I am unable to disclose exactly what this is. So watch this space!

Thank you to those Kowhai whanau who have already brought in food items for our mid winter raffle. Every dollar counts. Camps are very expensive and we certainly want students to have the best experiences possible.

Tenders have closed for our hall recladding and roofing project. This is due to start during the winter months and will cause some disruption. Our hall will be out of action for approximately 3 months. The classes may be shuffled slightly when the roofing commences.

Our pool is due to be relined and spruced up at the end of September, just in time for swimming late in term 4.

Lots of property upgrades heading Cobden School's way!

Next week is the West Coast Cross Country Championships at the Kumara Race Course. We have six athletes competing in the event. Good Luck! Will, Heidi, Charlotte, Savanah, Aolele and Aaliyah
