

# COBDEN SCHOOL

Newsletter 3 September 2021

Kia ora tatou

With the change of seasons, I hope you are all enjoying the warmer weather in your 'bubbles'. I have been really impressed with the learning that has been uploaded to SeeSaw and Google Classroom. Our students are truly amazing!

In these difficult times it is important to remember that home learning is quite different from being in a classroom environment. We would encourage all parents to focus on the wellbeing of their children and, if some learning tasks are just too hard and causing stress, please know we understand and that we are not expecting these learning tasks to be completed. Learning needs to be engaging and fun for our students at this time. Remember our teachers are there to talk you through any issues relating to wellbeing or learning.

Finally, I would like to thank all our whānau and parents for supporting the school this term. You are all doing an awesome job supporting your children's learning.

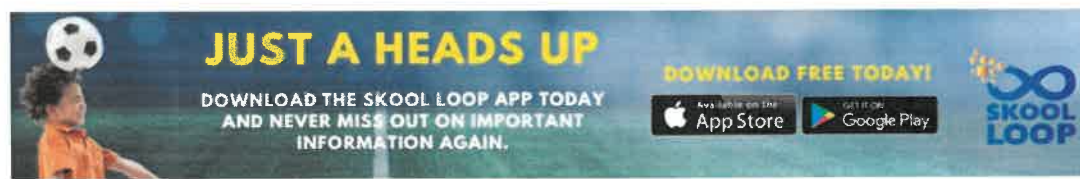

Kia kaha

Noula Markham  
Principal
